PETITION

Sir:

An Office Action was received on March 26, 2003 for the above-identified application. A response with a petition for an extension of time to file and appropriate fee was filed on September 24, 2003. A Notice of Abandonment was received, but a Request for Withdrawal of Holding Abandonment Based on Reply Timely Filed and Received in the Office But Not Correlated with the Application Pursuant to 37 C.F.R. 1.181 was filed on May 24, 2004. On August 24, 2004, the Petition was Granted. According to the Decision on Patent, the abandonment was withdrawn, the application was to be returned to pending status and forwarded to the Technical Support Staff for entering of the Response dated September 24, 2003 and then forwarded to the examiner for prompt consideration (see attached copy of Decision).

More than two years have now passed since the Decision on Patent was issued. As of the present date, the application is still listed in the Private PAIRS system as being abandoned for failure to file a timely response. The examiner does not have the case on her docket. Six written requests for status of the application have been submitted and several telephonic requests have been made to the Office. However, the status of the application is unknown.

Thus, applicant respectfully seeks the assistance of the Commissioner to move this application back to pending status, to have the application forwarded to the Technical Support Staff for entering of the Response dated September 24, 2003 and then to have the application forwarded to the examiner for prompt consideration.

Respectfully submitted,

This is a response to the REQUEST FOR WITHDRAWAL OF HOLDING ABANDONMENT BASED ON REPLY TIMELY FILED AND RECEIVED IN THE OFFICE BUT NOT CORRELATED WITH THE APPLICATION PURSUANT TO 37 C.F.R. 1.181, filed May 24, 2004. The requester asks that the abandonment, as set forth in the Notice of Abandonment of November 18, 2003, for failure to timely file a proper response to the Office letter dated May 26, 2003 be withdrawn.
